COUNCIL TO HOLD WEDNESDAY FORUM ON COUNTY GRANTS TO NON-PROFIT ORGANIZATIONS

The County Council will hold a public forum this Wednesday, March 2 to provide non-profit organizations serving the Montgomery County community with up-to-date and comprehensive information about County grants available to non-profits.

The forum, which is free and open to all, will be held on Wednesday, March 2 in the Third Floor Hearing Room of the County Council Building at 100 Maryland Avenue in Rockville. A reception will begin at 5 PM, followed by the meeting from 6 PM to 9 PM.

The County Council is sponsoring the forum to distribute information about County funding opportunities and application processes, and answer questions. The forum will also provide an opportunity for non-profit organizations to network informally with Councilmembers, as well as with other non-profits and community groups.

“The County benefits greatly from its relationships with the non-profit provider sector, and uses County funds each year to support the vital contributions of such organizations,” said Council President Tom Perez.

“Sometimes, though, it can be difficult to fully understand how to access County funds. Hearing about funding opportunities and the process of applying can be confusing, as can the contracting process to receive funds. I’m hopeful this can provide a roadmap for navigating the County grant process.”
